*All*

It's July 1, 2020. The new biennial state budget and legislation are now effective.

What two actions or items (legislative, budget, executive branch agency implementation) do you dream will become a reality because of the substantial impact they will have on addressing trauma faced by children and families in Virginia?

## **5. Announcements**

- Welcome Chidi Uche to the HHR Team! She will be focusing on trauma-informed care initiatives across all secretariats and agencies!
- April 25: Virginia Summit on Childhood Trauma and Resilience (Richmond)
- May 23: Rural Summit for Childhood Success (Abingdon)
